

## **2030 Our Story**

### **What?**

In the workshops, we'll be invited to open our imaginations up together to create St Michael's 'future story'. In turn, everything we create during the workshops will inspire further exploration in words, visuals and music as we start to develop a vision of where St Michael's is going over the next 10 years.

### **When?**

The workshops will take place in the Adam Room, on 3 Tuesdays from 7-9pm (29th October, 5th and 12th November) and 3 Sundays from 2-4pm (3rd, 10th and 17th November).

### **Who?**

Each workshop can accommodate up to 40 people - so the hunt is on for 240 people aged 11-111 who care enough about the future of St Michael's to give up 2 hours, and to have a fun and inspirational time into the bargain. Members, adherents, young people, members of the community who care about St Michael's - all are very welcome.

### **How?**

Booking is very easy (and free, of course!) - go to [www.2030ourstory.eventbrite.co.uk](http://www.2030ourstory.eventbrite.co.uk), choose the date you're interested in and select the number of tickets for the number of people you are booking for. If you're not confident about using the website, please Alan Miller, or Val in the Church Office, and one of us will sort it for you in a jiffy.

### **Why?**

As we enter a new period in the life of St Michael's, there could not be a better time to come together in a process that's creative, inspiring and great fun, so that we can lift our heads and look to the future with confidence in our great God and in his plans for us.

You may have seen a recent news item about a remarkable new community hub church in Monifeith: the drive to develop their stunning building grew from a process just like '2030: Our Story'. The vision for St Michael's will be as uniquely fitted for our circumstances as theirs is for Monifeith, but let's pray that it will be just as compelling and exciting.
